

**Key verse Habakkuk 3:18 “Yet I will *REJOICE* in the Lord, I will take *JOY* in the God of my salvation.”**

1. How does REST affect our perspective on life and visions? Read Psalm 37:7 and Psalm 46:10  
What do you do to Rest spiritually /physically in the Lord?

***KEY: You will find rest sisters as you write visions!***

2. Remembering how God entered into our lives plays a critical role in how we respond to life. Journal thoughts on this and your past and present position with God. What does your relationship/position look like with God currently?
3. Verses 17-19 of Habakkuk chapter three makes sure we do not play the VICTIM CARD. Why is it hard to stay away from that type of thinking?  
What are the benefits of NOT having that mentality?
4. GOD CAN BE TRUSTED. In chapter three Habakkuk PROFESSED his confidence in God. Now power greater. No one wiser. No one is perfect except God. We can be certain He will make all things right! Justice will come in HIS time.

\*Take time and PROFESS your confidence over your visions. Write phrases down professing that you believe and why.

5. Remember ways about what God has done in the past.  
Take time and jot down ways that God enables us to move forward based on our past.  
If you are just getting started with a relationship with God  
jot down that you desire to see Him move in your life.
6. Continue to write visions down this week!  
(google how others are writing visions down for God) you will see many things!
